Re: Docket No. EP 770 (Sub-No. 1), *Urgent Issues in Freight Rail Service—
Railroad Reporting*

Dear Ms. Brown:

Grand Trunk Corporation, on behalf of the U.S. rail operating subsidiaries of Canadian National Railway Company (collectively, "CN"), respectfully submits the reporting data pursuant to the Board's order served on May 2, 2023, extending data reporting in the above-captioned docket.

In addition, CN is filing an updated copy of the service data for Week 34 (submitted on August 30, 2023). Three lines of data were inadvertently omitted from that spreadsheet for Item Number 2, the weekly average number of train starts per day for coal unit, crude oil unit, and grain unit trains. The replacement file contains those three lines of data for Week 34.

Respectfully submitted,

Kathryn J. Gainey
