Transcript:

I am asking that you vote no for the railroad, for the CN buyout of the EJ&E. I have two small children, I am a school teacher in the neighborhood and I also drive a bus and I don't believe that this is in the best interest of any of the communities along the line as it will increase the traffic volume. It will also increase the amount of accidents that could happen with numerous school buses having to cross those tracks in our area to and from Frankfort, it just seems too dangerous and does not seem like it's in the best interest of the community or of the entire environment. So, please vote no. Thank you very much.
