STB Finance Docket No. 35087

My concerns, as a resident of North
Barrington, include the effects the increase
rail traffic will have on METRA
commuter trains as well as the ~~effects~~
school children / school buses.

Metra is very important to the commerce of
our city, of our state, and of our country.
Unknown and impromptu delays will be
devastating to individual families and global economies.
My children cross those tracks to go to school
(middle school) — please for our future — just vote
no!!!
