Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I Am opposed to the aquisition of the railway!
Living in Barrington the last 6 years is a
dream come true, a serene, pastoral setting
in a country ~~setting~~ village close to all
amenities which are easily accessible.
The aquisition of the railway is going to
have devastating effects on the serenity
and basic function of our town.
Traffic is already congested in the main village
that will ~~be even more~~ create jams that
will force people to Avoid the village thereby
costing businesses greatly. Property values
will plummet due to noise and traffic.
Children will be at risk walking in town
and to/from School. Please don't allow
this to happen and destroy our peaceful
village that we all love so much.
We pay a lot of money to have a quality
of life only Barrington offers. We have
a right to not allow our peace to be
disrupted ~~Especially~~ by greed of a company
who could care less about the ~~family~~
families affected.

Don't let this HAPPEN!

YOUR INPUT IS IMPORTANT!
