We are opposed to the acquisition of the railway that runs thru Spencer Rd in New Lenox IL. Our neighborhood is very close to this railway crossing. We are already inconvenienced by this railway crossing! I can't imagine how truly inconvenienced we would be if this acquisition goes thru. Rail running all day and all night! The trains are loud and dirty, Traffic backs up for long periods of time now. How will we be able to do our daily commuting with trains running 24 hours a day! What will be the cargo on these trains? Will they be toxic? What if there is a derailment? This is a strictly neighborhood setting. This is NOT commercial or industrial property. This must NOT go Through!
