

MR NAVECKY,

please see attached map Regarding
our Family Farm located in
Bradford township, Rock County, WI.
Our Farm is outlined in pink. As you
can see the proposed route of the
GLBT Railroad will divide our
Family Farm in half and as a
result we will have to resort to
traveling with our farm equipment
including loads of manure to get
to the other half of the farm using
public roads resulting in more chances of
farm equipment / vehicle crashes. This land
is known as the Rock prairie which is the
richest land in north America. Well
until the railroad starts transporting
hazardous materials through here and has
a Derailment and contaminates the rest
of the farm. We ~~own~~ 1k cows here and
with 200 acres we don't have ANY ~~to~~
land to spare and will have to discontinue
our dairy operations. please hear All of
us in Bradford TWP. and Block this
takeover of our land. Thank you Herb Remer
