I am writing to let you know of my families opposition to the proposed acquisition of the EJ&E to CN. Plainfield has grown at a pace exceeding the villages abilities to keep up. There is already tremendous traffic through town and its only going to worsen as the proposed road construction takes place to add more lanes to alleviate traffic. Part of the traffic problem is the long delays the trains cause going through town. With 3 active children, we are driving through town on a daily basis sometimes 3-4 times per day. The increased rail traffic would cripple traffic and unfortunately the way the rail line is layed out, there aren't alternative routes to avoid the trains. Please vote not to allow the acquisition.
