I am concerned about the traffic disruption, additional noise, safety issues from transporting chemicals & petachemicals, will the trains be running on a schedule that can be restricted to low traffic periods. In Barrington alone there are two and possibly three roads that will be blocked at one time - Rt 14, Rt 59 & Cuben. It will put an additional traffic load on Rt 12 & Rt 62. I really feel this a bad idea for everyone in the northwest suburbs.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
