Gentlemen;

It was a great relief at the meeting last afternoon in Barrington when I found out that the STB must approve the acquisition of the EJE line.

The negative impact the increased train traffic will have on our region is beyond comprehension. It will totally destroy our lovely town of Barrington.

The extra 20 or more trains a day would back up vehicle traffic terribly, especially our school buses carrying our beloved children back and forth to school every day. Our communities would be affected in all this Church goes, "Come to the church on time!"

Why can't CN work with Chicago to improve the hotelness they are experiencing?

We hope and pray it is in your hearts to use your POWER to help us by voting against CN's acquisition of the EJE line. Thank You!
