BACKGROUND

On a service date of June 3, 2004, the Surface Transportation Board (STB or Board) served notice that Wisconsin Central LTD (WCL) filed with the Surface Transportation Board a Notice of Exemption pursuant to 49 U.S.C. § 10502 and the Board's regulations at 49 C.F.R. § 1152.50. That Notice of Exemption is for WCL's abandonment of a .48 mile portion of its line of railroad between milepost 435.35 on Ashland's Lakefront and traveling 2,552 feet to a point where it connects to a private spur that used to serve C. Reiss Coal Company in Ashland, Ashland County, WI. The line traverses through United States postal zip code 54806.

On June 8, 2004, the City of Ashland (ASH) signed a Statement of Willingness to Accept Financial Responsibility pursuant to 49 C.F.R. § 1152.29. This statement is for the segment of WCL railroad from milepost 435.35 on Ashland's Lake Superior lakefront, traveling southwest along the lakefront 2,522 feet to a point where it connects with a private spur that used to serve C. Reiss Coal Company, a total of approximately 0.48 miles.

The Board issued a NITU under 49 C.F.R. § 1152.29, which was served on July 1, 2004, allowing the ASH until December 30, 2004, to negotiate a rail banking agreement with WCL.

In a joint petition filed on December 6, 2004, WCL and WisDOT for ASH filed a request for an additional 180-day extension of the negotiating period for the right-of-way. The Board issued a NITU under 49 C.F.R. § 1152.29, which was served on December 17, 2004 allowing ASH until June 28, 2005, to negotiate a rail banking agreement with WCL for the right-of-way between milepost 435.35 on Ashland's lakefront and traveling 2,522 feet to a point where it connects to a private spur that used to serve C. Reiss Coal Company in Ashland.

In a petition filed on June 16, 2005, WisDOT for ASH filed a request for an additional 180-day extension of the negotiating period for the right-of-way. The Board issued a NITU under 49 C.F.R. § 1152.29, which was served on June 28, 2005 allowing ASH until December 25, 2005, to negotiate a rail banking agreement with WCL for the right-of-way between milepost 435.35 on Ashland's lakefront and traveling 2,522 feet to a point where it connects to a private spur that used to serve C. In a petition filed on May 24, 2006, WisDOT for ASH filed a request for an additional 180-day extension of the negotiating period for the right-of-way. The Board issued a NITU under 49 C.F.R. § 1152.29, which was served on June 9, 2006 allowing ASH until December 20, 2006, to

negotiate a rail banking agreement with WCL for the right-of-way between milepost 435.35 on Ashland's lakefront and traveling 2,522 feet to a point where it connects to a private spur that used to serve C. Reiss Coal Company in Ashland.

Negotiations are currently continuing in good faith between ASH and WCL. However, more time is needed to finalize negotiations. WCL is agreeable to an extension of time to continue negotiations under an NITU condition for the rail corridor between milepost 435.35 on Ashland's Lake Superior lakefront, traveling southwest along the lakefront 2,522 feet to a point where it connects with a private spur that used to serve C. Reiss Coal Company, a total of approximately 0.48 miles in the City of Ashland, in Ashland County.

MOTION

Therefore, ASH moves that the period prescribed to negotiate an interim trail use/rail banking agreement be extended for 180 days for the rail corridor between milepost 435.35 on Ashland's Lake Superior lakefront, traveling southwest along the lakefront 2,522 feet to a point where it connects with a private spur that used to serve C.
