***Re: STB Docket No. AB-6 (Sub. No. 446X) BNSF Railway Company—
Abandonment Exemption—in Beltrami County, MN***

Dear Mr. Monroe:

This responds to your email of February 9, 2007, concerning the above referenced abandonment. Upon receipt of effective authority from the Surface Transportation Board, BNSF plans to arrange for the salvage and disposition of the right-of-way and materials thereon. Accordingly, the ten (10) geodetic station markers identified as being affected by the proposed abandonment should be relocated within the next 90 days.

Sincerely,

Sidney L. Strickland, Jr.
Attorney for BNSF Railway Company

Thank you for sharing your railroad abandonment environmental report for Bemidji, Beltrami County, Minnesota.

Approximately 10 geodetic survey marks may be located in the area described. If marks will be disturbed by the abandonment, NGS requests 90-day advance notice to attempt their formal relocation. These marks are described on the attached file. Additional advice is provided at <http://geodesy.noaa.gov/marks/railroads/>
