MR. WIDMER: I would like the

2 residents in the area to be aware that I
3 believe the initial is to purchase the
4 railroad and increase the traffic on the
5 line, and then I believe also that the
6 switching yard that is currently between
7 Irving Park and Green Street, by O'Hare,
8 the airport purchased all that, so that
9 switching yard has to move somewhere. And
10 my concern is that, eventually, the
11 switching yard will be moved out in the
12 Bartlett/Wayne/Elgin area, the train tracks
13 that we are discussing. I just want people
14 aware of that, because, obviously, the
15 switching yard has to go somewhere. That's
16 it.
