I'd like to request a, or I guess demand a uh a meeting um so that um we're able to learn more about the uh draft EIS and make some formal comments on, you know, hear how it's gonna affect the neighborhoods in Naperville, which really is not good. Um, so please, please, please uh, let's have a meeting on this so that we all are educated and we um can learn more about it and comment on this pending acquisition, construction plan which sounds like it's gonna be a huge impact to our neighborhood. Um so I hope uh hope we have that meeting. Thank you
