Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

As a local Business Woman I am strongly
opposed to the sale of the ~~ELJ&E~~ EJR to the
CN Railway.

I am concerned that the sale will create
Pollution that will not allow me to continue
my business in this area.

I am concerned that the increase in rail traffic
will not allow me to bring clients into this area.

I am concerned at the very high charges
of an Oil or Chemical Spill.

I do not feel that there are any Benefits
to our community to allow this Sale.

I believe the CN Railway have misrepresented their
Intentions in our Community.

YOUR INPUT IS IMPORTANT!
