 Message: RE: STB Finance Docket No. 35087

I live near the rail line at Montgomery Road in East Aurora. The increase in rail traffic will create a tremendous amount of noise pollution and negatively impact traffic at this location and the Ogden crossing as well. The suggestion that rail traffic will increase 4x is a very big concern for my neighbors and me as it will negatively impact our property values and quality of life. Please contact me for any more feedback you'd wish to receive. Regards, Steve Reyes
