Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug 27, 2008

Comments must be submitted by September 30, 2008.

My Concerns begin with the district 228
busses not being able to get the
children to & from school with out major
delays due to mile long freight
trains cross crossing through Barrington
second - the safety of the kids
driving, walking to and from school
that will be in danger due to all of
the train activity.

My home value will go down &
the quiet little town I moved into
9 years ago will never be the
same. Businesses will most likely
close, as people from outside of
Barrington will take their business
elsewhere. (shop, Dr. Appts, etc in other
towns)

*** Why would you put a Co. that is
not even from the USA ahead of the
concerns of \$ thousands of US tax
paying citizens? Please - do not
allow CNR to acquire EJE Railway -
For the good of everyone

YOUR INPUT IS IMPORTANT!
