Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I think it is very irresponsible to even consider the acquisition of this roadway. The ramifications of loss of life due to blocking access to the hospital in case of emergency is unacceptable. The lack of access to my son in school in case of emergency is unacceptable. I will fight this acquisition to the end.

Sincerely -
