Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/2008

Barrington is an amazing community. We live in the Village proper & my four kids walk everywhere. We already have the commuter train which is a potential danger. We can't afford the additional danger that the freight trains would bring. Our community thrives on walking & peace & quiet. This train line would divide the town, make it impossible to drive or walk anywhere! It would be extremely disruptive to our town & way of life.
