RE: Docket # 35087

Dear Ms. Rutson,

While I know goods must be transported to the Chicago metropolitan area, please consider the impact this would have on thousands of people. If the only reason I understand it to be CN's largest reason for wanting to run on the E.J. & J. rail lines, is to make them a more profitable company - I say the cost to American citizens is too high. Please deny their request and save our home.

Thank you for your consideration of my request.

Sincerely,
