

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date:

8/27/08

We are totally opposed to this acquisition. We suddenly put safety before money, we hope. Our town is not equipped to handle the additional traffic and we fear for the safety of our children and individuals that will be in need of medical and fire protection. We urge that this acquisition does not take place. Thank you
