Subject: FD 35952 Applicant Contact Information

Jay -

I received a call from the Wisconsin Department of Agriculture regarding some potential permitting-related requirements. She would like to speak to the applicant about those potential requirements. She stated that the applicant's website provides no contact information; instead, requires individuals to fill out a form if they wish to receive additional information or have questions.

For federal, state or local agencies that might want to speak with the applicant, to whom should I refer them?

This particular inquire came from Marilyn Weiss, WI Dept of Ag, 608-224-4650.

Thanks,

Dave
