You can send me information regarding the CN EJ&E Draft Environmental Impact Statement. And by the way, I am in favor of it. Presently CN trains are in my neighborhood, have been since they purchased the Illinois Central and uh I'm in favor of them moving the congestion and spreading it out further into the Chicago area, rather than having it concentrated where I live on the southwest side of the City of Chicago. In the event that you need my phone number, it is 773-551-1144. Thank you. Looking forward to receiving the information so that I can attend an upcoming meeting. Bye
