

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9/1/08

Comments must be submitted by September 30, 2008.

Please do not let CN increases the main traffic:

- ① It will hinder our emergency vehicles from getting to the hospitals.
- ② the main traffic will ruin our downtown, auto traffic will come to a halt.
- ③ the noise & vibration pollution
- ④ our water comes from wells, we can not risk a hazardous spill.
- ⑤ what about the endangered animals? where will they go to?
- ⑥ why should we pay to mitigate? the Canadians should pay.
