Docket #: - -35087 -

Subject: * Added train traffic thru Frankfort
 First Name: * Josephine
 Middle Name:
 Last Name: * Malecki
 Address: * 22191 Chamomile

City: * Frankfort
 State: * IL
 Zip Code: * 60423-
 Email Address: * josephine.malecki@owenscorning.com
 Group/Affiliation:
 Message:

I ask that you reconsidered the issue of the Canadian/National railroads use of the track that go through Frankfort. These tains will create a traffic problem on Wolf Road and 11th not to mention the add noise of the the trains and horns blowing at each intersection. There is a school on 116th and Laraway and children walk across these tracks daily. I don't believe this project is in the best interest of our community.
