Please refer to STB Finance Docket No. 35087 in all correspondence addressed to the Surface Transportation Board. Comments must be submitted by February 1, 2008.

The proposed acquisition with resulting increased rail traffic through Barrington will surely paralyze the town. Tracks cross all major roads/streets and the safety and sanity of residents, businesses and commuters to the towns beyond Barrington are at dangerous risk

I WOULD HOPE THAT the Safety Board would consider the school buses that cross these tracks twice a day (memory of recent rail fatalities in mind), especially, and emergency vehicles that would very likely be detained at crossings.
