Attention: Phillis Johnson-Ball
 Environmental Filing
 STB
 Finance Pocket No. 35087

We are completely against any more train traffic thru our community. We already have horrendous traffic congestion and more would be dangerous.

Trying to get people to hospitals and emergency vehicles getting where they need to go is already a huge problem.

Also we don't need any more hazardous material going thru our community.

Please do the right thing and don't allow this to go through.
