Subject: RE: Docket FD 36406 Port KC MRT Rail Cooperating Agency Invitation
Date: Monday, August 30, 2021 3:17:37 PM

Good Evening Alex,

Thank you for reaching out to my office and giving us the opportunity to give input. For instances such as these typically my office does not conduct the environmental review for projects such as these. Once your plan is submitted to the USACE for permit review, my office will conduct a risk analysis, and navigational impact assessment.

Additionally, my office received an invitation to a virtual meeting taking place tomorrow, if our presence is still requested, please call our 24 hour duty phone at (319) 520-8566.

Thank you.

Sector Upper Mississippi River Waterways Management Division

Subject: [Non-DoD Source] Docket FD 36406 Port KC MRT Rail Cooperating Agency Invitation

Good Afternoon, Stephanie,

Attached, please find a letter inviting the USCG to participate as a cooperating agency in the preparation of the Port KC Missouri River Terminal Rail Environmental Assessment. The Surface Transportation Board is requesting a response indicating your agency's preference for participation in the environmental and historic review of the proposed rail line by Friday, September 3, 2021. Note that a hard-copy version of the letter has also been sent to your office via U.S. Certified Mail.

Feel free to respond to this request via email to Adam Assenza (Adam.Assenza@stb.gov) or by U.S. Mail at: 395 E Street SW, Washington, DC 20423. We are happy to discuss any questions you have during our federal agency meeting scheduled for Tuesday, August 31 at 12:00PM Eastern Time.

Thank you,

ALEX BARTLETT | Senior Manager – Environment & Planning |
