

080215 DiMonte

Hello, I am calling about the STB finance docket #35087; the proposed purchase of the EJ&E by CNR. My name is Betty DiMonte. 30 W 116, Argyle Lane, Naperville IL 60563. We are very concerned about the increase in number of trains that would be coming through. The impact of on the safety of the crossings and the traffic congestion would be enormous. Because of the 6 major East-West streets in our area, 5 are currently surface crossings and one is a very inadequate two lane bridge. The municipal and county governments cannot fund the improvements that would be needed. So that means that the funding would need to come from the state and federal governments. This should be mandated now and be made part of the contingency of the purchase. Thank you.
