I live near DOT crossing # 260560X and am absolutely opposed to additional grade crossing traffic for safety, emergency vehicles and quality of life. This avenue is a main route for ambulance traffic to the hospital on Ogden Avenue. Holding up an ambulance, fire truck or police car could mean life and death on a regular basis.

The noise is terrible already. I am over 1 mile away and the train whistle & vibration noise are too much to put up with.

I am ~~the~~ considering selling my house because of this possibility and am concerned about the reduction in property value due to this negative quality of life issue.
