Phillis Johnson Ball
Surface Trans. Board
395 E. Street, S.W.
Washington, D.C. 20423
Att: Envir. Filing
STB Finance Subject No. 35087

This is to document our opposition
to the E5+E Sale. Emergency
access would be blocked. There
are many school buses that
would be affected. The noise &
pollution would be unbearable to
many homes.

Thank you.

Sincerely
Barbara Bonduke
