Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/08

With WNR Decided To Move To Barrington Over 18 Years Ago, We Specifically Were Attracted To Small, Unique Village With Limited Traffic And The Convenience Of Public Transportation To The City. This Change Of Allowing Additional Commercial Train Traffic, Will Disrupt Our Lines And Lower Our Home Values Which Is Unfair For Those Of Us Who Have Invested In This Town. I Recommend That Other Alternatives Be Provided By CNR To Eliminate These ~~the~~ Disruptions And ~~that~~ Save The Values That The Community Has Worked Hard To Achieve.
