How will CN's proposed acquisition of the EJ&E impact you?

Our family lives approx 3/4 mile from 2 different
EJ+E crossings.

We are concerned about traffic congestion,
and noise levels. We are also concerned
about safety - contents of petrochemicals
are particularly dangerous in residential
areas.

If we have no choice in this
matter, let's at least ask for scheduling
of trains from 11pm - 5am to ease
congestion.

Also - Let's negotiate a bike path
out of this.
