815-485-9545. I'm opposed to this coming in. I do not want it to come in. I live right by the tracks, it would physically lock me into my driveway and I would not be able to get out to get to work, I also have some health issues, I am concerned if I ever needed emergency vehicles, they would not be able to assist me. My husband has breathing problems, I'm concerned about the pollution, our house is only 400 feet from the tracks. I am very, very opposed to this and I request that it not be done. Thank you
