Yes, my name is James Savaiano. 22000 Chamomile Drive, Frankfort IL 60423. I wanted to log in my comment that this railroad bypass does not belong here in all these residential areas. If it is implemented, it should be implemented in a further out rural area not going through all these houses. The values are going to be ridiculously down. I understand there's supposed to be 35 trains coming through and just want to submit my protest that it should not go through. Strongly...goodbye. Thank you very much.
