

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/08

ON BEHALF OF MY FAMILY, WE LIVE IN TOWER LAKES (6 MILES NORTH OF DOWNTOWN BARRINGTON)). AS PART OF OUR ONGOING LIFE AROUND BARRINGTON WE CROSS THE CURRENT C&N TRACKS AT 4 DIFFERENT LOCATIONS. FREIGHT TRAIN TRAFFIC IS ALREADY AN INCONVENIENCE WITH WAITS OF 7-10 MINUTES PER TRAIN AT SOME OF THESE CROSSINGS.

THIS PROPOSED SALE AND INCREASED TRAFFIC WILL POSE A TREMENDOUS HANDS ON AND COST ON DULLS AND OTHER FAMILIES IN THE COMMUNITY. I AM VERY CONCERNED ABOUT SAFETY FOR MYSELF AND MY FAMILY.

I RESPECTFULLY, BUT STRONGLY URGE YOU TO DENY THIS PROPOSED ACQUISITION.

THANK YOU.
