Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Currently, Barrington is a fine running village - quite peaceful as well. This railroad proposal will highly affect the dynamics as well as the public safety of Barrington. As a younger community member, it is crucial for the well-being of myself and my future family that I exercise my opinion and rights ~~AGAINST~~ this railroad. The citizens of Barrington have tons of lingering questions regarding these railroads

- How will ambulances get through during emergencies
- How will school buses bring children to school on time? (Isn't this important enough in our society?)
- Do you care about the well-being of our children and families regarding air quality?
- How will fire trucks and police vehicles get to emergencies?

Please do not put this railroad in our city!
Do not ruin our peaceful village!

YOUR INPUT IS IMPORTANT!
