Subject: Re: Boone County Great Lakes Basin Railroad Meetings

Dear Dennis,

Representative Joe Sosnowski is trying to reach Mr. Dave Navecky. It has come to our attention that the proposed Great Lakes Basin Railroad will be plotted in a majority of Boone County; however, a Surface Transportation Board (STB) public comment meeting was not scheduled in Boone County or close to these residents.

Representative Sosnowski would like for STB to consider hosting a meeting in Boone County, which we are delighted to assist in finding a location. The Cherry Valley Fire District #2 location off Blackhawk Road is a traveling inconvenience for many residents. I left a message regarding this matter at the number (202) 245-0234. I am not sure how often that voicemail is checked; therefore, I followed up with this email communication.

Thank you in advance for your time and consideration of this request. If Mr. Navecky or you would like to speak with Representative Sosnowski or me regarding this matter. Please contact us at (815) 547-3436.

Best regards,
Neeley Erickson

Legislative Aide
Rep. Joe Sosnowski, 69th District
