Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

When you agree to "sell" something, you negotiate a price with the buyer. When someone "takes" something from you, you expect compensation. The CN is taking our quality of life.... without our agreement & $ without compensation.

Who will compensate us for our reduction of quality of life?

I live within 200 feet of EJ&E tracks. The CN is proposing to: A) reduce my property value & B) reduce my quality of life — without ANY compensation to me or anyone else affected by their acquisition.

This is simply un-American & must not be allowed.

Sincerely

Nathan Hancock
