Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway

I support the EJE purchase by CN
As a former Blue Island fireman I
understand how trains can cause delays
in emergency services. In our
community we have strategic plans
for working to respond to fires &
medical emergencies. Residents &
other communities depend on our fast
response to emergencies & the 100 plus
trains that pass through town
make it difficult to provide fast
response times to emergencies.

YOUR INPUT IS IMPORTANT!
