How Do I Submit Comments?

- **Written Comments:** Complete and submit this form at a public meeting, or mail your comments to the Surface Transportation Board's address at the bottom of this page.
- **Recorded Comments:** Provide your comments to a court reporter at a public meeting.
- **Electronic Comments:** Submit electronic comments by visiting the Surface Transportation Board's website, www.stb.dot.gov, and clicking on the "E-Filing" link and then clicking on "Environmental Comments."

Please refer to Docket No. FD 35952 in all correspondence addressed to the Surface Transportation Board. The comment deadline is June 15, 2016.

I own a farmette along proposed railine through eastern ogle county adjacent to mile marker 175. Im concerned with environmental impacts to our water system due to contaminants from spills, derailment. rail will cross Killbuck creek, potentially block man made drainage ditches in our flood plain. our soil consists of gravel And sand under topsoil down 49 ft to limestone bedrock. First responders and school bus route will also be affected along with tax burden to our community to pay for haz-mat training and equipment for our volunteer fire dept.

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
