Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: Aug. 26, 2008

Comments must be submitted by September 30, 2008.

I ask that you please vote against the sale of the E.T.E. railroad. It would greatly impair traffic in the Barrington and Lake Zurich areas. Causing safety issues for our residents and students. The sale would cripple the community by causing people to avoid the downtown area causing local businesses to suffer. Our community is not equipped to support these trains. It cuts through several major intersections and if CWN is not willing to put the money into making changes to these crossings, we would be very sad.
