Danielle,

The protection of our tribal cultural resources and tribal trust resources will take all of us working together. We look forward to working with you and your agency. With the information you have submitted we can concur at present with this proposed plan.

As with any new project, we never know what may come to light until work begins. The Delaware Nation asks that you keep us up to date on the progress of this project and if any discoveries arise please contact us immediately.

If you need anything additional from me please do not hesitate to contact me.

Respectfully,
