STB Finance Docket No. 35087

Date: 8.27.08

Please do not do this to our town (Barrington).

Our concerns are well-documented.

- 1) Safety - additional trains will exacerbate our traffic problems
- 2) Our school buses cross the tracks hundreds of times a day
- 3) Access to emergency services will be severely compromised.

This is a nice place to live. Allowing the CN to go forward with this purchase will be detrimental to our community on multiple levels. It will change us and not for the better.

If you have any sense of fairness or decency, you will not let this happen.
