Dear Phillis Johnson Ball:

Re: STB Finance Docket No. 35087

I am writing to voice my concerns about the Canadian National 's purchase of the Elgin, Joliet and Eastern Railway. The railway s going through our town of New Lenox would be greatly affected by their increased number of trains that would be crossing our roads. This would cause much disruption for all residents and the increased noise caused by so many trains would be a nightmare.

Thank you for your attention.

Sincerely,

 
Margaret Hoffmann Raymond Hoffmann
