Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

CN EJ&E

Environmental Impact Statement

Date: _____

Comments must be submitted by September 30, 2008.

I think the trains are a horrible idea because How will ambulences cross in a critical situation when a 5 minute train stops it??? Also The traffic is bad anyway but with 20 more trains coming through will make the traffic unbearable. I am highly against the trains. Also the increase of deaths will be horrible.

I really hope C.N. Doesent pass.
