Uh, I'm in favor of uh the Candian National um with the EJ&E. Um, the Canadian National comes through our town here and uh and and uh does a very good job uh of moving, moving their freight through town here at a good speed. Uh, I would just like to comment on why I don't know why none of these open houses are in this area like Elmwood Park or Franklin Park or that's also affected by the Candian National um, but I'm in favor of the Candian National uh with the EJ&E and my only comment is uh I wish that there was more out here as far as the meetings as to the as to the merger of the uh Candian National and EJ&E, but it seems like it's all up north in Barrington and Mundelein. Thank you
