Message:

I am extremely opposed to CN's acquisition of the EJ&E due to the significant impact it will have on myself personally and my community.

* It will mean significant delays at railroad crossings on our already congested roads.

* I am concerned about the safety of the crossings namely with respect to emergency vehicles response times and the increase in noise, vibrations, and pollution as the trains pass through my community.

* I am also concerned about the impact it will have on my family as we the railroad to travel to local stores, the library, and school each day.

PLEASE consider these real life concerns that we will face if this gets passed!
