How will CN's proposed acquisition of the EJ&E impact you? .

I do not want to see an increase  
in train traffic. It now wakes me  
up from sleep and the horns blow so  
loud they shake the bedroom windows  
at all hours of the night. We don't need  
more traffic congestion in Lake Zurich  
and it brings down our home value.  
We don't want this "Super Highway" in  
our backyard.
