I'm calling to comment on the letter that I received. Yes, I agree that the railway should, that the Canadian railway should not be transferred and come through the suburbs. Our area is congested enough, traffic is bad enough. Another thing that you guys should go ahead and do, since Tom Cross is a Republican of, you know, the House, find some way to get Mogilevich out of office. He gets a \$21,000 increase and I take a \$40-\$48,000 pay cut, why don't you guys focus on that too. Okay? But, no, I agree with Tom Cross and I don't think that the railway should go ahead and put that kind of traffic, you know, through out here. Thank you
