**Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company**

**STB Finance Docket No. 35087**

CN | EJ&E
Environmental Impact Statement

**Date:** 8-27-08

**Comments must be submitted by September 30, 2008.**

We moved to Barrington because of the peace & quiet, open space & little rail traffic. We paid for our homes & invested in the community because of this. It is not right that our way of life here should be disturbed by the purchase of EJ by CN. When the trains previously ran, people chose to move there knowing there was rail traffic. These communities should not be the beneficiary of this sale at our expense.

We have not chosen this.
